

MNL::MnCamera::GetProjection
Matrix

```
graph RL; WinMain[WinMain] --> GetProjectionMatrix[MNL::MnCamera::GetProjectionMatrix];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is shaded gray and contains the text 'MNL::MnCamera::GetProjection' on the top line and 'Matrix' on the bottom line. The box on the right is white and contains the text 'WinMain'. A blue arrow points from the right side of the 'WinMain' box to the right side of the gray box.
