

MNL::MnCamera::GetViewMatrix

```
graph RL; WinMain --> MNL::MnCamera::GetViewMatrix
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is shaded gray and contains the text 'MNL::MnCamera::GetViewMatrix'. The box on the right is white and contains the text 'WinMain'. A dark blue arrow points from the right side of the 'WinMain' box to the right side of the 'MNL::MnCamera::GetViewMatrix' box.

WinMain
